## MEMORANDUM OF AGREEMENT FOR THE RELEASE OF GOVERNMENT-OWNED OR DEVELOPED SOFTWARE

1. Distribution of the Graphical User Interface for Output Simulation (IView 2000) is performed by DSIAC on behalf of AFLCMC/EZJA.
2. The requestor acknowledges that IView 2000 is not to be used for any purpose other than the contract or CRADA number specified in the model request.
3. The requestor agrees that they will not release or transfer IView 2000 to anyone without prior written approval from the DSIAC.
4. The requestor agrees to return IView 2000 to DSIAC upon completion of the work specified in the model request. The requestor may be eligible to retain IView 2000 if there is additional U.S. Government work, including IRAD, or another U.S. Government contract for which IView 2000 is required. Contact the DSIAC for additional guidance.
5. The requestor agrees that they may only use IView 2000 within 3 years of a completed, signed, and valid MOA and within an approved contract's period of performance.
6. The requestor agrees that IView 2000, or any modified version thereof, shall not be published for profit or in any other manner offered for sale to the U.S. Government and shall not be sold or provided to any other activity or firm. If IView 2000 is modified using U.S. Government funds, the U.S. Government maintains unlimited rights to the modifications, regardless of if IView 2000 is the basis of, or incidental to, a contract. IView 2000, and modified versions thereof, may be used in the performance of a contract with the U.S. Government but no development charges may be assessed as part of its use.
7. The requestor acknowledges that the U.S. Government is neither liable nor responsible for maintenance, updates, or correction of any defects in IView 2000. Suspected software defects, improvement suggestions, or other change requests should be provided to the DSIAC or recorded directly in the DSIAC Software Change Request (SCR) database for submission to the respective IView 2000 Model Manager and Configuration Control Board (CCB).
8. The requestor acknowledges that receipt of IView 2000 is only for U.S. Government Agencies and their contractors and is export controlled. **IView 2000 shall not be used for, or made available to, foreign governments nor shall it be used in any contract with a foreign government without the written approval of the appropriate U.S. Government agencies.** Contact the DSIAC for additional guidance.
